

July Mission Trip to Southern China

In July, our coworker took a 3-week mission trip to **Zhejiang, Yunnan, Sichuan, and Guangdong, China**, held meetings at **19 places**, and ministered to **2,300 people**. The main purpose of this trip was for the meetings with **young students**. Because of the hot weather in summer, the air conditioner often could not accommodate the packed crowd. Although the schedule was packed, I was able to led people to repent and then be filled with the Holy Spirit, and also ministered in healing.

After arriving at a city in **Zhejiang**, we held a house meeting for the **Three-Self church** coworkers. Breakthrough came in the evening with many fell in the Spirit for a long time. In the next morning, we led them to be filled with Holy Spirit and then speaking in tongues. The afternoon meeting was held at their church building, with people dancing in praise and many filled with joy. Towards the end, I anointed their coworkers and healed the sick. An evening meeting was arranged at the next city and many coworkers from **Three-Self churches** came. I preached under heavy anointing. They wept and fell under the power in response. I then was on the night train to the next city.

After arriving in the morning, I ministered at the new building of one local **house church**. The young people led the worship with instruments. After preaching, many responded to my prayer with tears. In the next morning, I gave an alter call for young people to serve the Lord, and they wept aloud and fell on the floor. When I prayed for the people on the stage in the afternoon, they jumped up and were filled with the Holy Spirit. Later everyone **fell under the anointing** from the front to the back. I then prayed for the sick, and many who were deaf and had body pains were healed. After preaching in the evening, I prayed for the young people and they were **burnt with holy fire**. The next day we went to a coworker training school in the suburbs. It was very hot due to the power outage. I taught and prayed for young students. I preached to many mid-age sisters the next day and prayed for them in groups. Many were filled with the holy laughter. Early next day we went to a new church building in the countryside where many young students came. After prayer, they all fell down in weeping. In the evening, we danced in praise and were soaked with sweat. When I prayed for them, they fell down from the front to the back and filled with joy. The next morning, I met with college students in a city and prayed for them. In the afternoon, we went to another place with many young students. As I prayed, they responded in tears. In the evening, they all fell under the anointing from the front to the back. After praying for the sick, we went to another city and I spent the night at a **Three-Self church** in the mountain area.

When I lead coworkers singing a hymn after preaching in the next morning, suddenly we got a notice that police were coming. I rushed up and **hid myself on the mountain** under hot weather. Afterwards, we left and rested at a hotel in another city. We held the evening meeting in a factory. People came with

expectation and later were filled with joy. We held a house meeting the next morning and many were in tears when I prayed for them. The evening meeting was held at another factory. I preached boldly and prayed for sick, and many got healed. I then returned to a city to hold a house meeting with many mid-age sisters and young workers. After my preaching, they all wept in repentance and then were filled with the Holy Spirit.

I then took a flight to a city in **Yunnan**. The meeting was held in a house in a nearby city with many people packed four rooms. I prayed for them one row at a time after preaching. **The Holy Spirit moved strongly** in the afternoon and many elderly were filled with great joy. I returned to the city, took a break at the host family, and departed after praying for coworkers. After taking the flight to a major city in **Sichuan**, we held an evening meeting with coworkers, and I prayed for them after preaching. We held the next morning's meeting in a recreation area and the place was packed. **The presence of God** manifested during the worship time. I gave an alter call after preaching and many came out in weeping. I then prayed for them in groups. I preached with strong anointing in the afternoon and prayed for the sick. **A sister who had lupus was totally healed**. She jumped up in praising God! Then I took a flight to a city in **Guangdong**. We hold a meeting next morning in an office building, packed with young people. **I danced with all my might** in praising God. Many responded to the alter call and dedicated themselves to the Lord. As I prayed for them, they all wept and fell on the floor. After preaching in the afternoon, I anointed the coworkers and many fell without being touched. Lastly, I prayed for the sick.

August Mission to Europe

In early August, I took a 2-week mission trip to **France, Hungary and Italy**, with 5 meetings and over 1,800 ministered. I also led about 30 people to Christ. I first ministered at the **Revival Church's** youth summer camp in France. **The presence of God** manifested as they fell in the Holy Spirit. **The spirit of repentance** came after preaching and they could not stop weeping. Then we held revival meetings at Revival Church in **Paris** and baptized many new converts. I then had a two-night meeting at **Home of Christian in Budapest, Hungary**. As I prayed for people, they fell down quietly. Then I preached at the **joined conference of Revival Church in Bologna, Italy**. Many people came forth in repentance. We continued with a 2-day revival meeting. At the final evening, coworkers were **moved by the Holy Spirit** to come forth and weep strongly. Finally I went to **Rome** for holding one-day revival meeting at Revival Church.
