

Ministry Trips in North America

In April, I went to **San Diego, CA** and preached on "Spiritual Discernment" at **Beracah Fellowship** for 3 training sessions. I preached at **Living Spring Bread of Life Church** on Sunday. In May, I went to **Boston, MA** to minister at **Stream Renewal Center's** conference, preached on "Returning to the Spirit of Truth." My main purpose is to **train those coworkers from various local churches**, who already had charismatic experience. I also ministered healing to the sick. On Sunday, I preached at **Chinese Praise and Worship Christian Church**. Many were filled with the Holy Spirit in prayer time.

I went to **Vancouver, Canada** on the following weekend. I ministered at **Elim Living Spring Church** on Friday night. Many people from other churches came and received prayers after preaching. I preached on sanctification at **Heaven Bridge Church** on Saturday night, and prayed specially for young people. I preached at **Amazing Grace Christian Fellowship** on Sunday afternoon. Many immigrants from China made up their congregation. They were greatly shaken by the news about **Sichuan earthquake**. We specially prayed for the disaster areas and took an offering for that purpose. The pastor's daughter was about to get married so I prayed a blessing over them. I then preached on "Loving Your Neighbor as Yourself." After the alter call, many sisters came to the front to receive prayers.

I then went to **Cleveland, OH** on the following weekend. I preached at **Chinese Gospel Church** on Friday night. Many responded to the alter call after the sermon on "Abundant Life". In the Saturday afternoon, I preached on "Divine Healing" at the special meeting of a **House Church** and prayed for the sick. I preached on "the Fire of Revival" that evening and prayed for people to receive the Holy Spirit. On Sunday morning, I had a time to train their coworkers. In the afternoon, we went to **Columbus, OH**. In the evening, I ministered at **Faith Hope Love Fellowship's** conference with many people came. Their praise and worship were anointed. I then preached on "Glorious Presence of Holy Spirit" and it was interpreted into English. Many responded to the alter call and received prayers as **the presence of God** manifested. Many were moved to tears and rest in the Spirit for some time. The last meeting was on the next afternoon and we departed after fellowship with coworkers.

In June, I took time off to prepare for my newborn girl. **My daughter Michelle Lin was born** at the end of June. Her weight was 6 pounds and looked very much like her father. After she was one month old, I went to **Los Angeles, CA** on a weekend to minister at **New Life Christian Church**. On Friday evening, I ministered at its daughter church in **Temple city**. After preaching, I prayed for the sick and led people to Christ. On Saturday afternoon, I preached at its weekly service and prayed for people to receive the Holy Spirit. On Sunday morning, I preached on "Church is the House of God" at its mother church in **Irvine**. After preaching, I gave an alter call for people to come forward and receive the Heaven Father's love.

August Mission Trip to Europe

In August, I was on a mission trip to **Europe**, visiting **Italy, Russia, Hungary, Spain and France**. We held meetings at **6 places** and I ministered to over **1,500 people** and led nearly **70** to Christ. After arriving in **Paris, France** on Sunday morning, I ministered at **Revival Church's** youth service. Many were hungry for God and moved in tears. I then preached at their communion service and it was packed. After preaching, I led a dozen people to Christ and prayed for people, especially blessed their children.

I went to **Milan, Italy** the next morning. After teaching the Bible in the afternoon, I preached in the evening and prayed for the sick. I took a flight to **Rome** the next morning and ministered at the two-day revival meeting at **Revival Church**. People came **from all over Italy** and packed the meeting hall. After preaching, they bowed down in prayers and wept for repentance. Some came for prayers during the break. In the last meeting, we all danced in praising God and I was soaked with sweat. Many were filled with the Holy Spirit. Then all of them were divided in three groups to receiving prayers and many fell down in weeping. After the meeting was finished, I prayed for **those young people from Naples**, who stayed at church. They all fell down and wept aloud.

The next day I arrived at **Moscow, Russia**. My last visit here was 9 years ago. Two young people I ministered to last time had started **Chinese Way of Life Church**. I preached at their **gospel meetings** for two evenings at the Russian church and led total 60 people to Christ. I also ministered in healing and prayed for people to receive anointing. Some were in weeping and many fell down quietly. In the last evening, we met at church inside the dormitory. It was very hot and packed with people sitting on the floor. As I laid hands on people after preaching, they started to speak in tongues, filled with joy. Several coworkers were in weeping.

I went to **Budapest, Hungary** the next morning to minister at **Home of Christians** for two nights. Unfortunately the church went through a hard time recently because of coworker problem. Not many showed up but I especially prayed for their coworkers.

I then went to **Barcelona, Spain** to minister at the new **Revival Church** for two days of revival meeting. After preaching, they bowed down in prayers. As I laid hand on them, they all fell down and wept more strongly. Many were filled with joy the next day and the fire of the Holy Spirit were upon many coworkers.

Then I went back to **Paris, France** for a two-day revival meeting at **Revival Church**. As I ministered to people, they all fell down and wept. When I ministered to the young people, they were on fire of the Holy Spirit. We danced with all our might in praising God. I led people in worship, entering into **the presence of God**. After preaching, they bowed down in prayers. At the last meeting, I prayed for **young coworker couples** and they all wept strongly.
