November Mission Trip to Malaysia, Australia

In mid-November, I made a mission trip to **Malaysia and Australia** for three weeks and ministered to nearly **4,000 people at 11 places, with about 100 accepting Jesus**. I postponed this trip because of my newborn daughter and my mother-in-law has been helping with childcare, therefore now I could resume oversea mission trips. This trip also is my first time ministering in Australia, the last of the 5 continents I ever visited.

After I arrived at **Kuala Lumpur, Malaysia**, we had a dinner fellowship with an elderly pastor **Rev. James Shao**. The next evening we went to **Sitiawan** to minister at a **FGBMF** outreach dinner at **Chin-Hock Methodist Church**. After the meal, I preached the Gospel with English translation. Although the PA system had some echoes, there were **over 50 people** responded to the alter call for accepting Jesus. I blessed each of them on the platform and prayed for sick. In the next morning's training meeting, I taught the Methodist coworkers on the works of the Holy Spirit. When I prayed for them, they all fell down quietly. After Pastor Wang led the worship in the evening's revival meeting, I preached and gave an alter call for prayer.

On the following weekend, I preached on the Holy Spirit Renewal in three meetings at **Glad Tidings AOG church in Petaling Jaya**. In the first evening, **the presence of God** manifested during the pre-meeting song practice and I was moved to tears. The young sisters led worship under anointing. When I gave an alter call after preaching, many came up to the front. It took a long time for me to lay hands on everyone. In the next evening, **the Holy Spirit touched me** during worship and I was on the floor. After preaching, I gave another alter call for prayers. Some sisters received emotional healing in tears. At the two Sunday services the next day, I specially prayed for physical healing for the elderly after preaching. I also prayed for brothers from their drug rehab center to receive deliverance.

On Monday evening, I ministered at **SIB Church in KL**. Not many attended because it was my first time there. After preaching, I prayed for those in need of healing and anointed their coworkers. On Tuesday evening, I ministered at **DUMC Methodist Church in PJ** and it was held at their new church

building. After preaching, people lined up to receive prayers and they all fell down quietly. After they got up, they sang in worship the Lord. I attended **Rev. Stephen Ha's** worship meeting in the next evening. The next day, we went to **Malacca** to minister at **Calvary AOG church**. I preached with English translation and then prayed for the young people. On Friday evening, I ministered at **Charis Full Gospel Assembly**. People showed up late due to the traffic. I preached and then gave an alter call for prayers. Lastly I prayed for some Chinese students. On Saturday evening, I ministered at **New Life Revival Church in PJ**. After preaching, many responded to the alter call and came to the front. I prayed for many young people and children, and they all fell down quietly. The next morning, I preached at **DUMC's** Sunday service. Many responded to the alter call and lined up to receive prayers.

Then we began **Young Adults Discipleship Training Camp** for three days at a hotel nearby the airport, with **80 participants** from all over Malaysia. We started with Bible teaching on the theme **"Onto the Peak of Life"** that evening with ministry time. As we waited upon God the next morning, many were touched by the Holy Spirit. After Q&A session in the afternoon, I handpicked several sisters out for receiving prayers, and they all wept strongly. In the evening, I again laid hands on them after Bible teaching. In the next morning, a sister led worship and brought a breakthrough. Many were touched and wept strongly. After teaching, I prayed for them again. **The fire of the Holy Spirit** came down and consumed them. Some were filled with joy in holy laughter. In the afternoon, we praised God in dancing together and then took a group picture.

I continued on my way to **Sydney, Australia** via Singapore and arrived next morning. My 4-day ministry time was mainly at **Sydney Bread of Life Church**, with some participants from other churches. During the daytime, I gave **Bible teachings** on the subject of the Holy Spirit at its **Life Training Seminary**, including prayer ministry time for the students and Q&A sessions. In the evenings, I preached at **Gospel meetings** on the theme **"the Resurrection Power of Jesus"**. Although the majority of people were believers, I still gave alter calls for repentance to accept Jesus as Savior. The first evening had more new converts. I also prayed and laid hands on everyone, and most of them fell down quietly. We also scheduled a special meeting for **young people** in the Saturday afternoon. When I prayed for them after preaching, **the presence of God** manifested and they all fell quietly on the floor. In the last evening, I specially prayed for the sick after preaching the Gospel. **A severely injured sister** due to a car accident came from hospital to receive prayer in tears, and later was able to walk without help. The last two Sunday services were translated to Cantonese and English, respectively. I preached on the topic of **"Crisis Management"** in today's troubled economy. Many people in hardship responded the alter call and came to receive prayer.
