

June Mission Trip to Malaysia and Australia

In June, I made a three-week mission trip to **Malaysia** and **Australia**. We held meetings at **7 places**, ministered to nearly **2,000 people**, and led more than a dozen to Jesus. After arriving at **Kuala Lumpur**, the local coworkers drove me to a resort nearby **Kuantan**. From the following evening, I ministered as the speaker for **SIB church's family camp**. After preaching the Gospel, I gave an alter call with more than a dozen responded. I laid hands on all the young people and they fell down quietly. The next morning, I prayed for their healings and deliverance of family idolatry. In the evening, I laid hands on those who have not received the baptism of the Holy Spirit. They were filled with the Holy Spirit and spoke in tongues. The next morning, I laid hands on all the children, and they fell down quietly.

We then went to the hotel nearby KLIA airport, where we hosted the **7th annual Christ Disciple Training Camp**. In the first evening, many wept strongly and touched by God's love. The next morning, we all were on our knees in worship. Many were in tears and giving glory to God. We had a Q&A session in the afternoon and prayed for personal needs. In the evening, we danced with all our might to praise God. **The fire of the Holy Spirit** came down and their hearts were on fire. Some were shouting and some were laughing. The next morning, I felt **the presence of God** in worship and then fell down under the power of God. After preaching, I laid hands on them and they fell down in tears. In the afternoon, I blessed each of them before closing.

The next evening, I ministered at **Full Gospel Assembly in Petaling Jaya**. I laid hands on many people after preaching. The next evening, we went to **Malacca** to minister at **Calvary Life Church**. I gave an alter call for prayers after preaching. The next evening, I ministered at **Manna Church in Cheras** with many from the gambling rehab center. After preaching, I prayed for the deliverance and many fell down quietly. The next evening, I ministered at **Glad Tidings Church in PJ**. Many from other churches also attended. During worship, I fell down and was saturated in **the presence of God**. After preaching, I prayed for the worshipers first, and then laid hands on others as they fell down quietly. The next day, I ministered at their two Sunday services. After preaching, I laid hands on all of them starting from old people. The children all fell down quietly.

After a day of rest, I took the flight to **Perth in west Australia**. After arrival, I had dinner fellowship with coworkers from **Full Gospel Assembly**. On Friday night, we had an open meeting, joined by **Faith Bread of Life Church**. My preaching was translated into Cantonese. Several people responded to the alter call for receiving Jesus. I also laid hands on people to receive the Holy Spirit and they fell down quietly. The next morning, I taught the Bible especially for the coworkers. I also prayed for them for receiving the anointing. The next morning, I preached at their Sunday service and prayed for healings. Two elderly sisters could get up and walk without crutches. Lastly I prayed for all the couples to receive the blessing from the Lord.

July Mission Trip to Northeastern China

In early July, I made a two-week mission trip to **Zhejiang, Heilongjiang, Jilin, Liaoning, and Shandong provinces in China**. We held meetings at **12 places** and ministered to over **2,700 people**. The first place is at a factory in a city in **Zhejiang**. With high temperature and no air-conditioner in the afternoon, it was not easy to minister. I handpicked several young people out for prayers and they fell down in tears. In the evening, many mid-age sisters were filled with Holy Spirit. The next morning, we met at the house church in the nearby town. The people wept and fell all over the place during the ministry time. About 100 children joined us for the evening meeting. I led them in praising God, and laid hands on **the children**. I then laid hands on **the young people** as they wept and fell down. The next morning, I ministered at a **youth summer camp** in a nearby city. I laid hands on them and they fell and wept strongly. **The Holy Spirit moved mightily**. In the afternoon, they fell down quietly **in the presence of God**. In the evening, as we shouted hallelujah, **people fell down from the front to the back**. Many were filled with the Holy Spirit.

I then went to a city in **Heilongjiang**. The next morning, we held the meeting in a factory. After preaching, people responded in tears. When I laid hands on them, **the coworkers were touched strongly** and were in tears and laughter. I then went to another city by car. The next morning in the coworker meeting, **they suddenly fell down all together in weeping** when I prayed. **The Spirit of joy came** in the afternoon and they were in great holy laughter. Then I took a bus to a remote farm village. As I prayed at the meeting the next day, people fell in tears and later were filled with holy laughter. The next morning, I went to a city in **Jilin** by car to a meeting in a mountain area with various house churches joining. As I prayed for people, **the Holy Spirit moved mightily** as many fell and wept strongly. I also prayed for healings of the elderly. In the afternoon, I prayed for people to receive the joy of the Lord. I then took a train and arrived in a city in **Liaoning** at midnight.

We met in the city the next night and the place was packed. People took turn to receive prayers and many fell down in tears. The next day, we met in a mountainous area with hundreds of people from various areas. I preached under the strong anointing and then prayed for people in groups. When the Holy Spirit came in the evening, **people fell down from the front to the back**, filled with great joy. Lastly, I anointed all the coworkers. The next morning, we met in a hotel conference room. It was so hot inside because it was packed with people thus the air-conditioner was useless. I first prayed for the young people who fell down in tears, and then prayed for the rest. In the afternoon, people took turn to receive prayers and were in great laughter. The next morning, we went to a nearby village and people packed the meeting hall. After preaching, I prayed for all the coworkers from various churches. In the afternoon, I prayed for people to receive the anointing of joy and healings. I then went to a city in **Shandong** and ministered at a house church in the evening.
