

TABERNACLE OF DAVID MINISTRIES, INTERNATIONAL NEWS

August Mission to Italy, Europe

In August, I made a mission trip to **Italy, Europe** for two weeks. I ministered to over **500 people in 4 places**, mainly at **Revival Churches in Italy**. It was their **10th anniversary**. I still could recall there were over 100 **new immigrants from Wenzhou, China** attended our first revival meeting in Italy, under extreme opposition from the local Chinese church leaders. The coworkers were **in unity** and people were **hungry for the Holy Spirit**. Since then **more than a dozen branch churches** were planted throughout Italy **with thousands of believers**.

Over the past ten years, I was commissioned by their church elders in China to **lead revival meetings in Italy on a yearly basis**. But in the recent years, their church leaders have become more focused on **theological training**, overlooking the work of the Holy Spirit. Coworkers were no longer in unity. We faced **tremendous opposition** in arranging the revival meetings. Because of local coworkers and the support from church leaders in China, we were able to hold the revival meetings in various places. To my surprise, more local churches invited me to come next year for the revival meetings. **The move of the Holy Spirit** cannot be hindered, and those who oppose it will suffer loss.

The weather was very hot, but all meeting places have air condition to make it comfortable. My first stop was **Florence**. I preached on **repentance** in the afternoon, with many responded to the altar call in weeping, but there were still some onlookers. After preaching in the evening, I first prayed for the **young people** and many fell down in tears. I then blessed the married couples. In the next morning, a young brother led the worship. I prayed for people after preaching and they fell down quietly. In the afternoon, only few were filled with Holy Spirit after my preaching. Later we all began to dance in praising God. In the evening, we interceded for the family members and many responded in tears. Lastly, I ministered to their personal needs.

The next morning, we took a train to **Napoli** and it was my first visit to this city. The church is located in the city center, within walking distance to train station, hotel and restaurants. After I preached at their Sunday service in the afternoon, people came up and prayed on their knees. I laid hands on them and many fell down in tears. In the evening, I ministered in healings and many came up to receive prayers. We had a revival meeting the next day and many believers **came from the southern Italy**. After I preached in the morning, people repented on their knees in tears. I laid hands on the coworkers and they wept strongly. **The Holy Spirit moved mightily**. In the afternoon, I laid hands on people again and many were moved to tears. In the evening, **many were filled with the Holy Spirit** in great joy. Lastly, I anointed all the people according to their regions.

I took a flight the next morning to **Catania, Sicilia**. After some rest at the hotel, I ministered in the afternoon. After **the youth band** led the worship, I preached and prayed for people with many weeping strongly. After preaching in the evening, I prayed for them again as they fell down quietly. Later I prayed

specially for healings of their family members. The next morning, more people came to the meeting. After preaching, I laid hands on them and many wept strongly. In the afternoon, many were filled with great joy and some young people were in holy laughter.

Next evening I took a flight to **Cagliari, Sardinia**. It was my first visit there and coworkers received me very warmly. Not many came for meeting on the Saturday night. I preached and prayed for their personal needs. After I preached the next morning, they were on their knees to pray and many wept strongly. In the afternoon, many more came to the Sunday service. After preaching, I also laid hands on them and many fell down in tears, especially those who **experienced the Holy Spirit for the first time**.

On this trip, I had to make a transit in **Paris, France** as in the past. For many years, I had ministered at **Revival Church in Paris**. Recent years, we could not arrange any meeting due to **opposition from their leaders**. I was very disappointed to know that **many young people who I led to Christ in the past** have left the church. God still arranged a **host family** to take care of me for my stay and transportation. I thank God for all the arrangement and the provision from His own people in this mission trip.

September Mission to Vancouver, Canada

In September, I took a mission trip to **Vancouver, Canada** for two weekends. I ministered to over **1,000 people** at **5 places**. I arrived on the Saturday morning and ministered in the afternoon at **a branch church of Grace Assembly in the western area**. This newly planted church already has nearly 100 members in less than a year. **Many businessmen from China** accepted Christ with their lives changed, eager to preach the gospel. After preaching, I laid hands on people as they fell down quietly. For many, it was **their first experience with the Holy Spirit** and several wept strongly. In the afternoon, I ministered at **their branch church in Burnaby** with mainly **professionals from China**. After preaching, I laid hands to bless their children. In the Sunday afternoon, I ministered at **their main church in the eastern area**. After preaching, I made an altar call and many responded. I then laid hands on them and they fell down quietly. I also **led several to Christ** at each Sunday service and there is a great need of gospel among Chinese.

I drove to **Seattle, Washington** for ministry with a rental car across the border during the weekdays. On Thursday evening, we held a **small group meeting** for Chinese at a **Foursquare church**. After the worship, I preached and prayed for people. Many were filled with the Holy Spirit. On Saturday, I went back to **Canada** to **the Prayer Garden in Langley** and had a fellowship with **Rev. Chang** and his wife. On Sunday morning, I ministered at their **Christ Worship Center in Surrey**. During the worship, **I was filled with the Holy Spirit** and fell down on the floor. Before preaching, **I shared a song from China**. They all listened quietly and then joined me in singing. I preached with interpretation into English. After the altar call, some received prayer and fell down in tears. I left immediately afterwards to **Heaven Bridge Church in eastern Vancouver**. After preaching in the afternoon, I gave an altar call for serving the Lord and **many young people** responded.
